ABOUT OUR SAVINGS ACCOUNTS

LA Healthcare Federal Credit Union's savings accounts let you deposit your money in a share account and withdraw your money generally at any time. Our share accounts are the Regular Savings, Holiday Club, Travel Club, and Money Market "Savings Jar".

BALANCE INFORMATION

We compute the balance in our savings accounts to determine the dividends you will be paid by using the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. We calculate the average daily balance by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

RATE INFORMATION

Our share accounts are designated as variable rate accounts on the Rate Schedule. The rate and yield may change at any time as determined by the Credit Union Board of Directors.

ELECTRONIC FUND TRANSFER DISCLOSURE AND AGREEMENT

This EFT Disclosure and Agreement as amended from time to time (“Agreement”) sets forth the terms and conditions governing the use of the LA Healthcare Federal Credit Union electronic transfer services. Disclosure information that applies to all electronic services offered by LA Healthcare Federal Credit Union is given below, followed by specific disclosure information for each service. This Agreement takes the place of all prior agreements and disclosures governing the use of all electronic services. By retaining, using, or allowing others to use the electronic services offered by LA Healthcare Federal Credit Union, you are agreeing to be bound by the terms and conditions of this Agreement. In this Agreement, the term (“you”) and (“your(s)”) refer to the member, and the terms “we”, “us” and “our(s)” refer to LA Healthcare Federal Credit Union.

PERSONAL IDENTIFICATION NUMBER

The Credit Union will issue you a Personal Identification Number (PIN) that must be used with the ATM Card or Debit Card for transactions that require the use of a PIN. This number should be memorized. DO NOT write it on your ATM Card or Debit Card or where it is easily accessible to others. After memorizing your PIN, you should destroy the notice disclosing your PIN in a secure manner. If you forget, misplace or otherwise disclose your PIN, contact the Credit Union and we will issue you a new one.

RIGHT TO RECEIVE DOCUMENTATION OF TRANSACTIONS

You will get a monthly account statement reflecting all of your transactions unless there is no activity in a particular month. In any case you will get the statement at least quarterly. Depending on the terminal or if the transaction is \$15.00 or less, you may receive a receipt at the time you make a transaction at a terminal. If you do receive a receipt, retain the receipt to compare with your monthly statement from the Credit Union.

YOUR LIABILITY FOR LOST, STOLEN, OR UNAUTHORIZED TRANSACTIONS INVOLVING AUTOMATED TELLER MACHINE (ATM) CARDS

Tell us AT ONCE if you believe your ATM Card and/or Personal Identification Number (PIN) has been lost or stolen, or if you believe that an electronic transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within two (2) business days, you can lose no more than \$50.00 if someone used your ATM Card or PIN without your permission. If you DO NOT tell us within two (2) business days after you learn of the loss or theft of your ATM Card or PIN, and we can prove that we could have stopped someone from using your ATM Card or PIN without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you have authorized someone else to use the ATM Card and/or PIN, you are responsible for all transactions that person or persons initiates at any time, even if the amount or transactions exceed what you may have authorized.

YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING DEBIT CARDS

Tell us AT ONCE if you believe your Debit Card and/or Personal Identification Number (PIN) has been lost or stolen or if your statement shows an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within sixty (60) days of our sending your statement, you can lose no more than \$50.00 if someone used your debit card without your permission. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the close of the sixty (60) days and before notice to us.

SPECIAL NOTICE TO VISA® DEBIT CARDHOLDERS

If there is an unauthorized use of your Visa Debit Card or an Interlink transaction, and the transaction takes place on the Visa network, then your liability will be zero (\$0.00). This provision limiting your liability does not apply to either Visa Corporate Card Transactions, Visa Purchasing Card Transactions, Anonymous Visa Prepaid Card Transactions, ATM cash disbursements processed on non-Visa or non-Plus networks, or non-Visa PIN-less debit transactions. Additionally, your liability with respect to unauthorized transactions may be greater than the above zero (\$0.00) liability limit, to the extent allowed under applicable law, if the credit union reasonably determines, based on substantial evidence, that you were negligent or fraudulent in the handling of your account or Card. In any case, to minimize your potential liability, you should notify us of any unauthorized use no later than sixty (60) days after your statement was mailed to you.

OUR LIABILITY FOR FAILURE TO MAKE TRANSFERS

If we do not complete a transaction to or from your share or checking account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable, for instance, if:

- a) through no fault of ours, you do not have enough money in your account to make the transaction;
- b) the transaction would go over the credit limit on your credit line;
- c) the terminal where you were making the transaction did not have enough cash;
- d) the ATM or network system was not working properly and you were aware of the malfunction when you started the transaction;
- e) circumstances beyond our control (such as fire, flood, power failure, or computer down-time) prevented the transaction, despite reasonable precautions that we have taken;

- g) your ATM Card or Debit Card has expired, is damaged so that the terminal cannot read the encoding strip, is inactive or because your PIN has been entered incorrectly;
- h) your ATM Card, Debit Card or PIN has been reported lost or stolen and we have blocked the account; or
- i) the failure to complete the transaction is done to protect the integrity of the system or to protect the security of your account.

There may be other exceptions not specifically mentioned above.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone us at 213-748-4788, email us at info@lahfcu.org, or write to us at LA Healthcare Federal Credit Union, P.O. Box 17159, Los Angeles, CA 90017 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. (If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days, unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within ten (10) business days.) If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

Prior notice may not be given where an immediate change in terms or conditions is necessary to maintain the integrity of the system and/or the security of ATM Cards, Debit Cards or designated accounts.

In the event that a specific ATM is so limited, you may not be able to withdraw more than the cash limit of that particular ATM.

The Credit Union may cancel, modify and restrict the use of any ATM Card or Debit Card upon proper notice or without notice if your account is overdrawn or where necessary to maintain or restore the security of accounts on the ATM system.

ATM SAFETY

An ATM provides a quick and convenient way to access your money. However, use caution and remember the following safety tips whenever you use an ATM:

- Be aware of the surroundings, particularly at night.
- Look for well-lighted ATM’s when transacting at night.
- If you notice anything suspicious when approaching the ATM, return later or use another ATM.
- Have your transaction ready before you go to the ATM. When you can, fill out any deposit or withdrawal slips/envelopes before leaving your vehicle.
- Have your ATM Card or Debit Card ready, to avoid going through your purse or searching through the contents of your wallet at the ATM site.
- If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your ATM Card away and leave.
- Consider having another person accompany you to the ATM.
- Immediately report all crimes to the ATM operator and to local law enforcement officials.
- Stand close to the ATM and away from others in line to avoid detection of your PIN or other account information.

- Put your cash away as soon as the transaction is complete; count the cash later in the safety of your vehicle or home.
- Never give information to strangers at the ATM or to anyone over the phone. Be aware of fraud or people who pose as Credit Union employees who try to get information from you. This information should only be discussed in person by you at the Credit Union.
- Remember to keep your PIN a secret. Make sure not to write it on your ATM Card or Debit Card or anywhere else in your wallet; thieves can easily figure out the reason for “hidden” or “secret” numbers.

USE OF THE CARD

You may use the Card and PIN to:

- Withdraw cash from your share or checking account at ATMs, merchants, or financial institutions that accept Visa Debit Cards;
- Transfer funds between your share or checking account you have with the Credit Union; and
- Make deposits to your share or checking account at the Credit Union.

You may use the Card without the PIN to:

- Purchase goods or services at places that accept Visa Debit Cards (these are point-of-sale or POS transactions);
- Order goods or services by mail, telephone or online from places that accept Visa Debit Cards;
- Order goods or services without a PIN by mail, online, or telephone at merchants who offer the payment transactions processed through the STAR, PULSE, CO-OP, ACCEL/Exchange or any other Debit Card network; and
- Make automatic payments from your checking account to pay bills or other charges, providing that the person or organization that you are paying agrees to accept payments this way.

Some of these services may not be available at all terminals.

Use of the card, the account number on the card, the PIN or any combination of the three for payments, purchases, or to obtain cash from merchants, financial institutions or others who honor Visa Debit Cards is an order by you for the withdrawal of the amount of the transaction from your account. Each transaction with the card will be charged to your account on the date the transaction is posted to your account. When the Credit Union receives notification of a Visa Debit Card transaction, it will put a hold on an equivalent amount of funds in your checking account for three (3) days or until the day the transaction is charged to your account.

All card transactions covered by this agreement are subject to the terms and conditions of your account agreements with us governing the affected accounts, except as modified by this agreement. Any future changes to your account agreements may affect the use of the card.

ILLEGAL USE OF VISA® DEBIT CARD

You agree that your Visa Debit Card Account will not be used to make or facilitate any transaction(s) that are or might be construed to be illegal pursuant to applicable law, rule or ordinance, including but not limited to gambling. Said use, including any such authorized use, will constitute an event of default under this Agreement. You agree that the Credit Union has no liability, responsibility, or culpability whatsoever for any such use by you or any authorized user(s). You agree that you are responsible for repayment of any and all debts incurred for these transactions. You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages, or adverse action of any kind that results directly or indirectly from such illegal use.

OVERDRAFTS

You promise to pay the Credit Union immediately upon demand for any negative (overdraft) balance arising in your account, unless you have available overdraft privileges. If you do not have overdraft privileges, the Credit Union may deduct the amount of any overdraft on your account from any other account you have with the Credit Union, except an Individual Retirement Account.

REFUSAL TO HONOR CARD

The Credit Union is not liable for the refusal or inability of any electronic terminal to honor the card or to complete a withdrawal from your account, or for their retention of the card. The Credit Union is also not responsible for the refusal of any merchant or financial institution to honor the card or for their retention of the card.

FOREIGN TRANSACTIONS

Purchases and cash advances made in foreign countries will be billed to you in U.S. dollars. Transactions processed outside of the United States, or in a foreign currency, may be charged a foreign transaction fee, regardless of whether there is a currency conversion associated with the transaction. The conversion rate in dollars will be a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable Central Processing Date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable Central Processing Date in each instance, plus or minus any adjustment determined by the Issuer.

REGULATIONS RELATING TO FUND TRANSFERS

APPLICABLE LAW

This agreement and notice applies to funds transfers as defined in the Article 4A of the Uniform Commercial Code and Subpart B of Regulation J of the Board of Governors of the Federal Reserve System.

FUNDS TRANSFER CUT-OFF TIME

The Credit Union may establish or change cut-off times for the receipt and processing of funds transfer requests, amendments, or cancellations. Unless other times are posted for the various types of funds transfers, the cut-off time will be at 1:00 p.m. on each weekday that the Credit Union is open excluding holidays. Payment orders, cancellations, or amendments received after the applicable cut-off time may be treated as having been received on the next funds transfer business day and processed accordingly.

SERVICE CHARGES/FEEES

The Credit Union may charge your account for the amount of any funds transfer initiated by you or by any person authorized by you as a joint tenant, or other authorized party with the right of access to the account from which the funds transfer is to be made. Please refer to our Schedule of Fees and Charges for current fees.

SECURITY PROCEDURES

The Credit Union may establish, from time to time, security procedures to verify the authenticity of a payment order. You will be notified of the security procedure, if any, to be used to verify payment orders issued by you or for which your account will be liable. You agree that the authenticity of payment orders may be verified using that security procedure unless you notify the Credit Union in writing that you do not agree to that security procedure. In that event, the Credit Union shall have no obligation to accept any payment order from you or other authorized parties on the account until you and the Credit Union agree, in writing, on an alternate security procedure.

USE OF FEDWIRES

If you send or receive a wire transfer, Fedwire may be used. Regulation J will govern Fedwire transactions, except to the extent of a conflict between Regulation E and Regulation J with respect to remittance transfers, in which case, Regulation E shall govern.

IDENTIFICATION OF BENEFICIARY

If you give the Credit Union a payment order which identifies the beneficiary (recipient of the funds) by both name and identifying account number, payment may be made by the beneficiary's bank on the basis of the identifying or bank account number, even if the number identifies a person different than the named beneficiary. This means that you will be responsible to the Credit Union if the funds transfer is completed on the basis of the identification number you provided the Credit Union.

IDENTIFICATION OF BENEFICIARY AND INTERMEDIARY BANK BY NUMBER

If you give the Credit Union a payment order which identifies an intermediary or beneficiary's bank by both name and an identifying number, a receiving bank may rely on the number as the proper identification even if it identifies a different bank than the named bank. This means that you will be responsible for any loss or expenses incurred by a receiving bank which executes or attempts to execute the payment order in reliance on the identifying number you provided.

PROVISIONAL ACH PAYMENTS

The Credit Union may at its discretion give you credit for automated clearinghouse (ACH) payments before it receives final settlement of the funds transfer. Any such credit is provisional until the Credit Union receives final settlement of the payment. You are hereby notified and agree, if the Credit Union does not receive such final settlement, that it is entitled to a refund from you of the amount credited to you in connection with that ACH entry. This means that the Credit Union may provide you with access to ACH funds before the Credit Union actually receives the money. However, if the Credit Union does not receive the money, then the Credit Union may reverse the entry on your account and you would be liable to repay the Credit Union.

NOTICE OF RECEIPT OF ACH FUNDS

ACH transactions are governed by operating rules of the National Automated Clearing House Association. In accordance with these rules, the Credit Union will not provide you with next day notice of receipt of ACH credit transfers to your account. You will continue to receive notices of receipt of ACH items in the periodic account statements which we provide.

RECEIPT OF INCOMING (NON-ACH) FUNDS TRANSFERS

If the Credit Union receives a funds transfer for you or for other persons authorized to have access to your account, you agree that the Credit Union is not obligated to provide you with next day notice of the receipt of the funds transfer. The Credit Union will provide you with notification of the receipt of all funds transfers by including such items in the periodic account statements which we provide. You may, of course, inquire between receipt of periodic statements whether or not a specific funds transfer has been received.

PAYMENT OF DIVIDENDS (OR INTEREST)

If the Credit Union becomes obligated under Article 4A to pay interest (or dividends) to you, you agree that the rate of interest (or dividends) to be paid shall be equal to the dividend rate, on a daily basis, applicable to the account at the Credit Union to which the funds transfer should have been made or from which the funds transfer was made.

YOUR ABILITY TO WITHDRAW FUNDS

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use them to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 3 p.m. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 3 p.m. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200.00 of your deposits may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 7th business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first thirty (30) days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 11th business day after the day of your deposit.

HOLDS ON OTHER FUNDS (CHECK CASHING)

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

HOLDS ON OTHER FUNDS (OTHER ACCOUNT)

If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATM's) we do not own or operate will not be available until the fifth business day after the day of your deposit. This rule does not apply at ATM's that we own or operate.

All ATMs that we own or operate are identified as our machines.

TRANSFERS TO THIRD PARTIES

As per Regulation D Limitations, no more than six preauthorized, automatic, online or telephonic transfers made to another account at the Credit Union or to a third party or no more than six (6) transfers or withdrawals made by check, draft, debit card or similar order payable to a third party may be made from each savings account or money market deposit account in any calendar month. If an Account Holder exceeds, or attempts to exceed, these transfer limits, the excess transfer requests may be refused or reversed, a fee may be imposed on the excess transfer requests, and the Credit Union may reclassify or close the account. Transfers initiated by telephone must be counted among the six (6) monthly transfers, except that there are no limits on the number of withdrawals paid directly to an Account Holder when initiated by mail, telephone or messenger. There are no limits on the number of withdrawals if initiated in person. ***Refer to the Regular Savings, Holiday Club, and Travel Club accounts section for information regarding limitations specific to that account.***

WITHDRAWALS: PRIOR NOTICE REQUIREMENT

The Credit Union reserves the right to require prior written notice of intention to withdraw all or any part of shares not to exceed the notice requirement as set forth in the Credit Union's bylaws.

➔ ***Checking Account Agreement***

WITHDRAWALS, APPROVED METHODS

Only checks and other methods approved by the Credit Union may be used to withdraw funds from a checking account.

ELECTRONIC CHECK CONVERSION

Upon prior notification from the merchant to the Account Holder, a purchase made with a check can be converted to a one-time electronic fund transfer (EFT) if authorized by the Account Holder. The Account Holder may also authorize merchants to electronically debit the account for returned check fees. It is agreed that the Account Holder authorizes the electronic funds transfers if the transaction is completed after being told (orally or by a notice posted) that the transfer may be processed electronically or if the Account Holder signs a written authorization.

DEMAND DRAFTS

The Credit Union may pay and charge to the applicable checking account, checks drawn by and payable to any person, organization, association or corporation that has been authorized by an Account Holder to be paid, by the provision of MICR encoded information on the account. It is agreed that the Credit Union's rights in respect to such checks shall be the same as if it were a check drawn and signed by an Account Holder(s) personally. This authority shall remain in effect until revoked by an Account Holder in writing. It is agreed that the Credit Union shall be fully protected in honoring such checks. It is further agreed that if any such check is dishonored, whether with or without cause, and whether intentionally or inadvertently, the Credit Union shall incur no liability whatsoever, even though such dishonor results in the forfeit of insurance, loss or damage of any kind.

OVERDRAFTS

The Credit Union is under no obligation to pay a check which exceeds the available balance in an account; the Credit Union may, however, pay such a check and recover or obtain a refund of the amount of the resulting overdraft plus a service charge from any of the Account Holders of this account, each of whom expressly agrees that each Account Holder is jointly and severally liable for any and all overdrafts of this account and any and all associated costs created by any Account Holder.

Order of Posting: The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. We will pay checks, automated debits (ACH), Debit Card transactions, ATM withdrawals and point-of-sale transactions in the order presented to the Credit Union. Multiple checks presented for payment on the same day will be paid in check number order. For ACH transactions, deposits are posted first then debits are posted by settlement date, then lowest to highest amount. For ATM Card and Debit Card transactions, items are posted in the order received. You understand that the order in which items are processed can affect the total amount of fees that may be assessed against your account. The Credit Union reserves the right to adjust the above processing times in its sole discretion.

Actual and Available Balances: It is also important that you understand the difference between your “actual balance” and your “available balance” in order to properly manage the money in your account and avoid overdraft and insufficient fund fees. Your “actual balance” is the beginning of the day balance after the prior evening’s posting. This balance is changed at the close of business every day and stands as is until the close of business on the following day. Your “available balance” is the amount you have in your account at a particular time that is available for immediate withdrawal. Your available balance is updated throughout the day to reflect holds, pending transactions and cleared deposits. The difference between your actual balance and your available balance is the result of pending activity that has not yet posted to the account (example, any “pending” deposits, checks, transfers and withdrawals or holds on your account). We will use the “available balance” in your account to determine if you have sufficient funds to cover your transactions. You can determine your available balance at the ATM, by phone or by accessing your account online or with mobile banking.

You understand that you may be overdrawn even when your actual balance is positive. You also understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you wish to make because your available balance will not reflect all your outstanding checks, automatic bill payments or recent deposits. In addition, your available balance will not reflect all of your debit card transactions. For example, if a merchant obtains your prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we are required to release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account. We do not determine and are not responsible for any hold amounts placed by merchants. We encourage you discuss such holds with merchants to determine how much the merchant may place on hold. You must also keep careful records and practice good account management to avoid making transactions without sufficient funds available for withdrawal. For additional details on the availability of your funds for withdrawal, see the section entitled “Funds Availability Policy.” If you have additional questions about your available or actual balance, please see a branch representative or call 213-748-4788.

Example 1: If you write a check for \$25.00 but it has not yet cleared your account, your available balance will be \$25.00 less than what is reflected by your actual balance.

Example 2: If you authorize a debit card transaction for \$30.00 but it has not yet posted to your account, your available balance will be \$30.00 less than what is reflected by your actual balance.

Example 3: The following transactions are not reflected in your available balance:

- Any checks you have written that have not yet been presented for payment.
- Any automatic bill payments you have scheduled that have not yet been sent.
- Any debit card transactions where the authorization hold has been released but the transaction has not yet been submitted to the Credit Union.

STALE-DATED CHECKS

The Credit Union is under no obligation but may pay a check which is presented more than six (6) months after it is dated. The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the fee schedules adopted by the Credit Union and as amended periodically.

STOP PAYMENTS

Any Account Holder(s) of this account may stop payment of any item drawn against the account. The Stop Payment Order must describe the item with reasonable certainty and must be received in such time and manner as to afford the Credit Union a reasonable opportunity to act upon it. A Stop Payment Order is effective for six (6) months, but it lapses after 14 calendar days if the original order was oral and was not confirmed in writing within that 14-day period. The Stop Payment Order may be renewed in writing for an additional six (6) month period.

TRUNCATION OF DRAFTS

The Account Holder(s) acknowledges that checks are truncated and hereby waives any and all rights to receive the items without prejudice to any of the Credit Union’s defenses available under the California Uniform Commercial Code (UCC).

LIABILITY OF CREDIT UNION

Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a check, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

CLOSURE OF ACCOUNT

The Credit Union may close a checking account at any time. Closure of a checking account will not affect the obligation to pay any outstanding balances or charges owed.

FOR CHECKING ACCOUNTS WITH SHARE OVERDRAFT PROTECTION

If any Account Holder(s) writes a check that would result in this Checking Account being overdrawn, the Credit Union is authorized to charge the designated share account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the check and to credit such charge to this Checking Account.

No checking overdraft may be paid by charging a share account if, as a result of such charge, that share account would be subject in any one month to more than six (6) pre-authorized, automatic or telephonic transfers.

FOR CHECKING ACCOUNTS WITH LOAN OVERDRAFT PROTECTION

If any Account Holder(s) writes a check which would result in this Checking Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union on a loan designated on the Overdraft Agreement, the Credit Union is authorized to make an advance from the designated loan account, and to credit the advance to this Checking Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such check and any associated fees.
